3909 North Sherman Blvd.
Milwaukee, Wisconsin 53216

Dear Ladies and Gentlemen:

Thank you for your correspondence dated April 26, 2015. Your commitment to the community is indeed commendable and your enthusiasm should not be dampened; however, Department of Corrections' mandates dictate that it develop best practices for all of its institutions and centers on a statewide basis rather than viewing any one community in isolation. While I understand the desire to maintain the status quo, the needs of the Department dictate that its Community Relations Boards are consolidated in order to solve common issues in a uniform and synchronized manner.

We value the Felmers O. Chaney Advocacy Board membership greatly and your input is highly valued. We therefore welcome your continued participation in the consolidated Milwaukee Community Relations Board. Thank you again for the service that you provide to the community.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Cathy A. Jess'.
